ALLAIRE, EDWIN B.	Tractatus 6.3751	xix	100
—	Types and formation rules: a note on Tractatus 3.334	xxi	14
AMMERMAN, ROBERT	A note on 'knowing that'	xvii	30
ANALYSIS 'Problems'			
No. 1	What sort of 'if' is the 'if' in "I can if I choose"?		
	(Set by J. L. Austin)	xii	50
No. 2	What is the difference between saying how you feel and showing by your words how you feel?		
	(Set by Austin Duncan-Jones)	xii	125
No. 3	Does the logical truth $(\exists x)(Fx \vee \sim Fx)$ entail that at least one individual exists?		
	(Set by Max Black)	xiii	49
No. 4	If a distraction makes me forget my headache, does it make my head stop aching, or does it only stop me feeling it aching?		
	(Set by Gilbert Ryle)	xiii	121
No. 5	Does it make sense to say that death is survived?		
	(Set by A. J. Ayer)	xiv	27
No. 6	How can one wish to have been Napoleon?		
	(Set by P. F. Strawson)	xiv	127
No. 7	Can I decide to do something immediately without trying to do it immediately?		
	(Set by R. B. Braithwaite)	xv	25

ANALYSIS 'Problems'

No. 8	How can I think it possible that I might be mistaken? (Set by A. M. MacIver)	xv	121
No. 9	Does it make sense to suppose that <i>all</i> events, including personal experiences, could occur in reverse? (Set by J. N. Findlay)	xvi	25
No. 10	'It is impossible to be told anyone's name. . .' (Set by G. E. M. Anscombe)	xvi	121
No. 11	Is it possible that one and the same individual object should cease to exist and, later on, start to exist again? (Set by A. N. Prior)	xvii	49
No. 12	'All swans are white or black.' Does this refer to possible swans on canals on Mars? (Set by J. L. Austin)	xviii	1
No. 13	Is 'Paradise Lost' a general name, proper name, or what? (Set by P. H. Nowell-Smith)	xviii	73
No. 14	If I carefully examine a visual after-image, what am I looking at and where is it? (Set by D. J. O'Connor)	xix	1
ANDERSON, ALAN ROSS	A note on subjunctive and counterfactual conditionals	xii	35
ANSCOMBE, G. E. M.	Report on ANALYSIS 'Problem' No. 10	xvii	49
—	Names of words: a reply to Dr. Whiteley	xviii	17
—	On brute facts	xviii	69
—	On sensations of position	xxii	55
—	Retraction	xxvi	33
—	A note on Mr. Bennett	xxvi	208
ÅQVIST, LENNART	Notes on A. J. Ayer's 'The terminology of sense-data'	xx	106
—	On a supposed tautology	xxii	66
—	On a supposed truism: reply to Mr. Pratt	xxii	149
—	Choice-offering and alternative-presenting disjunctive commands	xxv	182
ARMSTRONG, D. M.	Berkeley's puzzle about the water that seems both hot and cold	xv	44
